MY LIFE AT A GLANCE

LANGUAGES

- Italian (Native)
- English (Professional knowledge)
- Spanish (Upper intermediate)

ABOUT ME

UX & Interaction Designer, with 5+ years of experience, passionate about human behaviour and game experience. Curiosity is my best quality. I am focused and detail oriented.

I am always excited about starting something new and I like going out of my comfort zone. I am hard worker and I learn fast. I am a people person: I love working with others as I love to learn from others.

EDUCATION

Bachelor's degree, Interaction Design

IED - Institute of Design
